## PROLOGUE

From the desk of the  
Director

"This world is not so good, We have to create a new alternative world"

...Silo.....Founder of Humanist Movement international Italy.

My dear friends we are here with you for the past five years. We learnt lot of lesson in the field of social work. We are very happy to present this fifth annual report. This year is a remarkable year for the past and the future. Your continuous support and well wishes gives us involvement to serve the society.....

With love

C.Arockia raj and Team

## History of AHM

Action of Human Movement (AHM) is a registered charitable social work organization. It was established on 4th October 2004 under Indian societies act 27 of 1975. AHM is working for the underprivileged section of the rural youth, children and women for the past 5 years. Its main activities are awareness education, non formal technical education and all kinds of community development works.

## Vision

'Including the excluded and giving the best to the least'
